Junior Infant Induction Day

We had a lovely afternoon yesterday with our new Junior Infant parents and their children. Thank you to the staff members who made everyone feel so welcome yesterday and helped the children to settle in. A big thank you to Sinéad, Julie and Ciara for helping out at the information evening for parents on Wednesday. We are looking forward to seeing you all again on the 31st August for your first day at school.

Assembly

The Student Council and Green team were the topic of conversation at assembly this morning. Áine and Lisa explained the role of the Student Council and green team and also explained the election process.

Student Council

Any pupil who wishes to run for student council has been asked to design a campaign poster. The poster must include their name, a picture of themselves (photo, drawing etc.) and a reason why they think they would be a good representative for their class.

Green Team

Interested pupils have been asked to design a poster with the theme 'Superhero'. They can be as creative as they wish but the superhero must have powers linked to saving the planet or

protecting the environment. Please include their name on their posters.

The children can submit a poster for either the student Council or the Green team but not both. We also ask that the children do not run for the same position two years in a row. This is simply to allow as many pupils as possible to participate in the committees during their primary school careers.

Posters must be submitted by Monday 12th June and both elections will take place the following week. The posters will be displayed in classrooms initially and then moved into the corridors during the week of the elections. We are looking forward to an exciting month ahead.

Book Rental

Book rental for the school year 2017/2018 is now due. This can be paid at the school office before the end of June so that we can buy the educational resources for the children over the summer holidays.

Parent/Teacher meetings

There will be a drop-in session on Wednesday 7th June for any parents who wish to meet their child's teacher before the end of term. The teachers will be available from 3pm - 4.40pm for any parent who wishes to 'drop in'. Please note: No appointment times will be given for these meetings.

Summer Fair

The LETNS annual Summer Fair will be held on **Wednesday 14th June between 5pm - 7pm.** The Fair last year was a wonderful community occasion and we are looking forward to running the event again.

Like last year we will be asking for volunteers who would be interested in running stalls at the fair. If you have an idea for a stall or could give some time to help out please let Edwina, Áine or Lisa know. We will also be asking for some food to be donated that can be shared that evening. A letter will go home with your child next week with further details.

Home School community Liaison (HSCL)

Happy Friday everyone!

Summer Fair:

Our **Summer Fair** is on **Wednesday 14th of June** this year. It will be on from 5pm-7pm. If you are interested in helping out or doing a stall please let the school know! We hope to see as many of you as possible at our school fair as this is the final whole school celebration of the year.

We need bottles!

We are looking for some **donations of bottles** from our school community for the **bottle stall at the Fair**. Catherine has done this stand for a few years and she has left us with great instructions on how to run it. At the Fair we will be running the bottle stall again this year as it has always been such a big hit with our school community.

Sports day:

Our 'Get active week' will be on from Monday 12th- 16th of June. Our **sports day** will take place on Thursday the **15th of June from 10:00 - 12:00**. Parents are welcome to come and check out what we are getting up to in school.
