We also practiced some mindfulness in our assembly through guided meditation. We discussed the important of taking some time in our busy lives to be still and calm. We will be doing some mindfulness at each assembly this year.

### Class Meetings

Thank you to all the parents/guardians who attended the class meetings last week.

Each year the class teachers at the school organise meetings to allow parents to get an overview of what the children will be learning in school each year. This is also an opportunity to meet the class teacher and to learn about the ways in which you can support your child. Each meeting will last approximately 20 minutes and the timetable for the meetings is as follows:

2<sup>nd</sup> Class - Monday 10<sup>th</sup> October @2pm

1<sup>st</sup> Class - Tuesday 11<sup>th</sup> October @2pm

Senior Infants - Wednesday 12<sup>th</sup> October @1pm

Junior Infants - Thursday 13<sup>th</sup> October @1pm

Attendance at these meetings is very important and appreciated by the staff and the children.

### Health and Safety

As you are aware the front door of the school is locked during the day. Access can be gained by ringing the doorbell. The class teachers have been reminding the children that they should never open the front door to anyone, even if they know the person ringing the bell. The children have been reminded that they should find an adult in the school to open the door.

Naturally the children want to be helpful and respectful by opening the door but our priority is to ensure the safety of all the children in the school. Please take some time to discuss this with your child at home.
