

The logo for COGAR! features the word "COGAR!" in a bold, black, sans-serif font. The letters are slightly shadowed to give a 3D effect. The text is set against a bright yellow, wavy banner that curves upwards at both ends. The entire logo is contained within a thin black rectangular border.

**School Starts At 9, Be On Time!**

**School will be closed on Monday 18<sup>th</sup> March for the Bank Holiday.**

**Fun Friday**

Fun Friday for next week is bring a treat. The children can bring a small treat to school but no items containing nuts please.

**Nut Free School**

We would like to remind parents that we are a Nut Free School. We have a number of pupils who have serious nut allergies which can be life threatening.

We ask that parents do not send any nut products to school. If a child brings nuts/nut product to school we will explain to the child why it can't be eaten and inform the parents.

Your cooperation with this is necessary to ensure the safety of all the pupils in our school.

**Carambola School Lunches**

Carambola have made some changes to their lunch menus. Please log on to check what your child is currently getting and change it if necessary.

We would encourage parents to talk to their children about their lunch choices to make sure that the children like the items they are receiving. If not it is very easy to log on and allow them to choose other food items.

**Per Cent for Art scheme**

We are excited and delighted to inform you that the Percent for Art Scheme which allows us to commission an artwork for the school is in progress and we hope to have it installed by Sept 2019.

A committee with representatives of the parent body, the staff and the Board of Management have come together to manage the commissioning process. The tender will be

published this week in local press, social media and national artist & architects networks. We will keep you informed of the progress. If you would like to know more about the scheme and selection process please feel free to contact the school.

### **LETNS COMMUNITY COOKBOOK**

A huge thank you and well done to the students and families who have submitted their favourite recipes for inclusion in the school community cookbook.

We now need a group of people to edit and prepare for publishing. We have had some very generous offers of Sponsorship from local businesses and are very excited with the possibility of what we can produce. Please do get involved and help realise this project for your school community. Any amount of time, skills, levels of abilities and knowledge are welcome.

This cannot happen without YOU!
