Summer Fair

The LETNS annual Summer Fair will be held on **Wednesday 15th June between 5pm - 7pm**. The Fair last year was a wonderful community occasion and we are looking forward to running the event again.

Like last year we will be asking for volunteers who would be interested in running stalls at the fair. Please let a member of staff know if you are available to help out with this.

Bottle Stall for Summer Fair

There will be a bottle stall on the evening of the summer fair. All donations of filled bottles or cans would be greatly appreciated for the stall. For example juice, beans.....anything in a can/bottle. These can be brought to school from Thursday 9th June and left in Catherine's room. All will be revealed on the evening!!!

Plant Donation

A message from Jan - if you have any unused or unwanted plants, Jan would be very grateful for any or all donations for the plant stall at the summer fair.
