

The logo for COGAR! features the word "COGAR!" in a bold, black, sans-serif font. The letters are slightly shadowed to give a 3D effect. The text is set against a bright yellow, wavy banner that curves upwards at both ends. The entire logo is contained within a thin black rectangular border.

School Starts At 9, Be On Time!

The school will be closed on Thursday 21st and Friday 22nd February for our Mid-Term break. Bus drivers have been told about this closure.

Assembly

For assembly this morning we all went outside to enjoy some of the milder weather.

It has been so lovely to see the evenings getting a little bit longer and the mornings are brighter.

Thank you to the children from 5th and 6th class who helped out with their buddies this morning. The younger children love getting to spend time with their buddies and it's always nice for siblings to be together too.

Home School community Liaison (HSCL)

Happy Friday, I hope you all have a lovely weekend! ☺

Internet safety course:

We have organised Donegal Youth services (DYS) to deliver an internet safety course for 5th and 6th class on Tuesday 5th of March during school hours. We have also arranged a course for the adults on the **21st of March from 7pm-8pm in school.** All adults from our school community are invited to attend this free and valuable information night to help you support/protect your child when they are online. Please let Lisa know if you are interested.

Strengthening families' course:

It is a 14 week course focusing on improving communication and building positive relationships at home. Each session lasts for 2 hours and covers a variety of topics. Dinner, transport and childcare can be provided for the family if

needed. Please speak to Lisa if you are interested.

3rd class:

Thank you for all the amazing projects you worked on at home with your children. We will be holding our presentation day on Friday 1st of March (Family Friday). 3rd class family members are invited to join us in the library at 9:30am and all the children will present their hard work. We hope to see you there!

Games room:

Yes, you read that right! We have turned an empty classroom into a games room on the top floor. We will use it as an extra space for children to go to when we feel it would benefit them. We have table tennis, a pool table, a foosball table, board games, memory games etc but we would like to ask our school community for donations of games if they are not being used at home. We would love an ice/air hockey table, drafts, chess, snakes and ladders, ludo, card games etc in good condition. If you think you can help us please speak to Lisa. As always thank you for your support with this!

After School Clubs

Just a reminder that there will be no after school clubs next week due to the mid-term break.

All clubs will resume on the week beginning 25th February for another 3 weeks. If your child missed a club when the school was closed due to the weather they will have an extra class.
