School Starts At 9, Be On Time!

Assembly

Today was Family Friday. Thank you to the family members from Junior Infants to 2nd class who joined their children in class this morning for some fun activities. The children are so delighted to have their families in school with them and it is really appreciated by the staff too.

Our guest speaker at the Senior Assembly this morning was Anupama (Akshara and Akshata's Mum). Anupama spoke to the children about her work with Primerica, her interest in all things computer based and how she trained for her job.

Thanks to Anupama for coming in to talk to us this morning and to the children for being such a wonderful audience.

Please enter/leave by the school gate. I will collect the money at the gate to the yard
