This year's project is to create a School Community Cookbook . We already have had offers of design and photography skills, sponsorship from some parents' businesses. Thank you very much and please keep the project in your sights and a work in progress within your family or household - it will roll continuously throughout the year and we hope to have a publication before the end of summer term 2019

Community Cookbook- the children learned a lot about food & nutrition last year as part of Operation Transformation. We are trying to gather recipes and artwork for inclusion in the school community cookbook. Please send your family favourite recipe for a starter, snack desert or main Meal - all contributions and ideas welcome to letnspsa2017@gmail.com

If you would like to be further involved please contact Louise Ozbay Tel: 0879123512 or Lisa HSCI hscl@letns.com or leave your details with Edwina at the school reception. Your favourite family recipe can be hand written, photocopied or typed. Please also send in a family photo and/ or a picture drawn by your children. It can be emailed or handed into the class teacher.

We are putting a hamper together for raffle at the winter assembly. Please leave any donations at the school office. We will also be holding a bucket collection at the Winter Assembly to help raise funds for enhancing the playground. Volunteers on the day to sell tickets, shake a bucket, help with making tea/coffee would be greatly appreciated. If you can help contact letnspsa2017@gmail.com

Thank you from the Green Team

Thank you to Lily's grandad (Senior Infants) who donated litter pickers and collection bags for the children to use when keeping the school

grounds tidy! We are always so thankful for the generosity of our school community.
