We need bottles!

We are looking for some **donations of bottles** from our school community for the **bottle stall at the Fair**. Edwina and Marie will be running the bottle stall again this year as it has always been such a big hit with our school community.

Student Council Elections

(Senior Infants - 6th class)

Student council elections will be held in June. Any child who wishes to run for Student Council is asked to make a poster at home. The posters need to be sent into school by the 31st May so that they can be displayed in the school.

If your child is interested in running for Student Council please have a chat with them about why they think they would make a good class representative for the Student Council.

As the elections take place the children will be learning about the democratic process and shown how to vote using ballot papers/ballot boxes ect. We know that there will always be some disappointment as not everyone can be elected and that some children may require support with this.

Junior Infants will work on the election process in school with their class teachers.
