School Starts At 9, Be On Time!

Assembly

At the Junior Assembly Áine and the children chatted about their week and all the things that had happened. We made a list of the things that made us feel good (drops into our buckets) and the things that made us feel sad (drips out of our buckets). We finished our assembly by turning to the people next to us and saying something to fill their buckets before we all went back to class.

Áine and the children made similar list at the Senior Assembly and we were delighted that our 'drops' list was much longer than the 'drips' list. One thing that the children want to work on is the yard. Sometimes we forget that there are so many children in a small place and people can get bumped into by accident. We all agreed to be more aware of the people around us when we are out on the yard next week.

Gaeilgeoir na Seachtaine:

Comhghairdeas le Daniel i Rang Mairéad, le Charlotte i rang Louise, le Marta i rang Rachel, le Rebecca B i rang Mary, le Emma i rang Barbara, le Olivia i rang Stephanie, le Michaella i rang Maggie agus le Ann i rang Nakita.

Well Done to our Debate Team

Congratulations to the LETNS debate team who were the winners of the most recent debate that took place here at the school last Thursday. The children were competing against pupils from the gael scoil and the motion was 'The internet does more harm than good'. LETNS were proposing this motion.

Ezgi, Nell and Aoibh delivered 4 fantastic speeches, Kate and Aaron did a wonderful job as chair people and Kayleigh and Himanshu were the timekeepers.

Thank you also to Nakita and Nicola who work so hard to prepare the children for these debates.

Fun Friday!

Next week's Fun Friday is Class Choice.

Happy Friday everyone!

6th class information:

Transition course: 9:30-11:30 on Thursday 9th of February is the last day for the course. It has been very useful to parents who have children transferring to secondary school.

What's in my head project:

A big thank you to all the family members that came into school on Friday to see the fantastic work that the Junior Infants had done on their projects. It was so nice to see you all there and I think you will agree they were amazing at presenting 'What's in my head!' I hope you all enjoyed it!

Positive phone calls: A big well done to all the children who received a positive phone call home this week. We are so proud of all your hard work in school! High 5 everyone! ☺

Morning Supervision

We would like to remind parents that supervision is provided from 8.50am - 9.00am each morning in the school yard. There is no supervision before this time. The staff at the school do not have responsibility for any pupils before 8.50am and are not involved in monitoring the behaviour of the children before this time.

Welcome LYIT students

We are delighted to welcome Danielle, Rachel, Elaine, Ciara, Clare, Anthony, Orlagh, and Kinga our new students to our school. The students are on placement from the LYIT and will be with us until the Spring Break.

We are delighted to have so many extra helping hands in class and we hope that they will all enjoy their time in Letterkenny Educate Together NS.
