

Below is some information on your project. I have provided ideas only. You are free to create/display your information the way you would like. Remember 'Do your Best'

- **Possible displays**

- Powerpoint Presentation
- Poster (any size)
- Tourist Brochure
- Map with labelled features
- A4 or A5 booklet
- You may have a more creative idea??

- **How do I choose a country?**

- Try choose a country that you may know very little about
- Maybe pick a country that you have a special connect to- you or family are from this country
- Make sure you can source information online about this country. Or even better you have a book at home about this country.

- **Some information you might include**

- Country location
- Capital city
- Population
- Languages spoken
- Tourist attractions
- Landmarks
- Climate
- Traditional foods/dance/art
- Native animals
- Religion/culture traditions
- Draw the flag

- **Extra activities:**

- Create an art piece based on your country's traditional art techniques
- Draw/create famous building or landmark
- Draw/create a person in traditional clothing
- Demonstration/explain how they play a traditional game/sport, maybe we could try it during PE or playtime?
